(1) No person shall participate in, operate or assist in operating any gambling game or activity, including a lottery. No person shall have in his possession any property, instrument or device designed or adapted for use in any type of gambling activity. Any such property, instrument or device is a nuisance and may be summarily seized by any police officer. Property so seized shall be placed in the custody of the Chief of Police of the City of Elgin. Upon conviction of the person owning or controlling such property for a violation of this section the Municipal Judge shall order such property confiscated and destroyed.

Section 2: DEFINITIONS.

(1) The term "gambling" means that a person stakes or risks something of value upon the outcome of a contest of chance or a future contingent event not under his control or influence, upon an agreement or understanding that he or someone else will receive something of value in the event of a certain outcome. "Gambling" does not include the following:

(a) Bona fide business transactions valid under the laws of contracts for the purchase or sale at a future date of securities or commodities, and agreements to compensate for loss caused by the happening of chance, including but not limited to, contracts of indemnity or guarantee, and life, health or accident insurance.

conditions: The contest is played for some token other than money; an individual contestant may not purchase more than $10.00 worth of tokens for use in the contest during any twenty-four (24) hour period; the tokens may be exchanged only for property other than money; except where the tokens are exchanged for a beverage or merchandise to be consumed on the premises, the tokens are not redeemable on the premises where the contest is conducted or within fifty (50) miles thereof; and, except for charitable organizations, no person who conducts a contest as owner, agent or employee profits in any manner from operation of the contest. "Charitable organization" means any person organized and existing for charitable, benevolent, eleemosynary, humane, patriotic, religious, philanthropic, recreational, social, educational, civic, fraternal or other non-profit purposes. The fact that contributions to an organization profiting from the contest do not qualify for charitable deductions for tax purposes or that the organization is not otherwise exempt from payment of federal income taxes pursuant to the Internal Revenue Code of 1954, as amended, constitutes prima facie evidence that the organization is not a bona fide charitable organization.
